

ALMANSOORI FURTHER RECOGNIZED FOR HSEQ COMMITMENT

AlMansoori Specialized Engineering has been named as the 'BEST COMPANY IN HEALTH AND SAFETY' at this year's 8th Annual Excellence in Energy Awards. The prestigious accolade was announced on May 28 at GASTECH in Abu Dhabi and the award was accepted by AlMansoori Vice Chairman, Mr Hilal Mubarak AlMansoori and Corporate HSEQ Manager, Mr Hamadeh Bakir.

Over the past few years, this is one of the many related health and safety awards which have been received by AlMansoori.

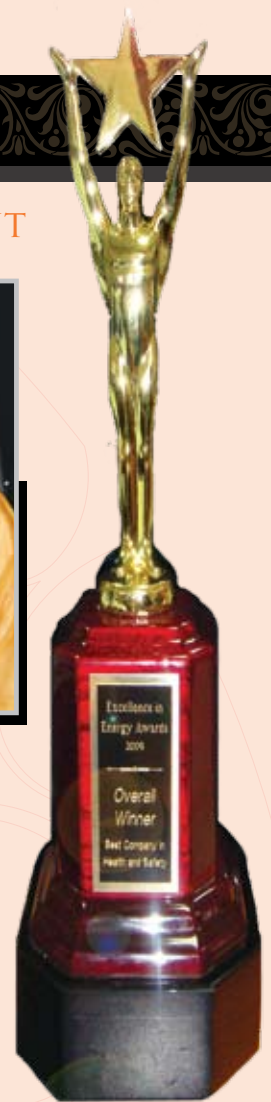

ISO9001:2008 AWARENESS COURSE

HSEQ team represented by Mr Rabah Ahmad Mohamad, Mr Sameer Al Abed and Mr Mohannad Khreis joined the ISO 9001:2008 awareness course held at Crowne Plaza Hotel on April 23.

Mr Ishtiaq Ahmed of Vincotte International Middle East conducted the course to review the HSEQ Integrated Management System and to comply with the latest version/ requirement of ISO 9001:2008.

Audit

To ensure the compliance of AlMansoori HSEQ IMS, AlMansoori Petroleum Industries have been audited by HSEQ Department, Mr Rabah Ahmad Mohamad (HSEQ Advisor). He conducted an audit of FLOALMA (Flowserve), SOP, VIME (Vincotte) and VMS (Varco). Corrective action plans were raised and follow-up audit will be scheduled by the 4th quarter of 2009.

ROAD SAFETY CAMPAIGNS

Seatbelt awareness presentation had been arranged and conducted by Mr Sameer Al Abed (Senior HSEQ Officer) and Mr Mohannad Khreis (HSEQ Officer). Two sessions were held at MSE Musaffah Base and Employees from all the Divisions keenly participated in the program. It was aimed to inform all the Employees the importance of seatbelt and how seatbelt can save their lives.

HEALTH LECTURES

Monthly health lectures and campaigns are ongoing within AlMansoori. On May 31, a lecture regarding Hepatitis was held in MSE Musaffah Base conference room conducted by Dr Ravi from the New Medical Center.

IOSH CONFERENCE

MIDDLE EAST BRANCH ANNUAL GENERAL MEETING

The IOSH Middle East Branch's third AGM took place on July 4 at the Crowne Plaza in Abu Dhabi, attracting over 100 delegates from across the Middle East.

The AGM was introduced by Mr Nabil Al Alawi, Chief Executive Officer of AlMansoori, who sponsored the IOSH Middle East Branch with a venue and lunch for the day.

The event enjoyed a number of presentations from speakers representing various industries around the Emirates. Delegates from across the Middle East, as well as other parts of the world, including representatives from the UAE Ministry of Labour, EHS and Dubai municipality participated in the Event.

The event concluded with the election of the branch committee, which saw Mr Peter Barnett-Schuster taking over as Chairman from Mr Ahmed Al Menhali.

TRAINING AND COURSES

HSEQ Department arranged Safety Management and Risk Assessment course at GTSC on June 7 for Managers and Superintendents from different Divisions of MSE.

BUSINESS TRIP TO ALMANSOORI DAMASCUS, SYRIA

Mr Karim Pachiannakis (Corporate HSEQ Manager) had a business trip to MSE Syria on 14-17 July. He visited AlMansoori Base in Damascus and operation sites in Der Elzur and Hasaka. Mr. Karim also visited Al Furat Petroleum Company and Oudeh Petroleum Company.
